

Camp Thurman Scholarship Information

Dear Applicant,

Thank you for your interest in Camp Thurman's scholarship program. The Camp Thurman scholarship program is made possible through the generous donations of individuals and organizations, not from the fees we charge our campers. Last year over \$10,000 in scholarships were awarded to deserving campers. All prospective campers in financial need are eligible to apply for a scholarship between October 15th and April 15th, but we cannot guarantee every request will be honored. All applicants will be notified on the outcome of their requests within one month. Please note, applying for a scholarship does not register your child for camp. Your child will be registered only if your request is granted and there is space available.

Please read the following guidelines when filling out your request form.

Scholarship Guidelines:

- 1) Each scholarship request form must be attached to a registration form. If you are requesting scholarships for more than one child, each child must have a registration form.
- 2) Most scholarships awarded are for 1/2 or less of the registration fee.
- 3) Campers who have never received a scholarship from Camp Thurman will be considered first.
- 4) Scholarships are available for camp on a space available basis.
- 5) All applicants will be processed within one month and will be notified by mail or email. Those not able to receive scholarships will have the option to pay in full and still attend camp. Those receiving partial scholarships will be responsible to pay, by May 15th, the portion not paid by scholarship.
- 6) Scholarship funds do not apply to snack shop, t-shirts, or any other camp merchandise.

We understand that there is an obvious financial need for this scholarship. What we ask is that if you are able in future years to make a contribution to the scholarship fund that you do so. Many of our parents add \$20 - \$50 to their fees each year. This way, we are able to continue to offer this program to many children who would not otherwise be able to come.
