

Preparing for Your Challenge Adventure Day

Confirmed Number of Participants

We will need a confirmed number of participants 2 weeks prior to your arrival. This number will be used to create your invoice as well as for staffing purposes. Payment is due in full on the day of your event. We accept cash, check or credit card.

Complete List of Participants

Please provide a list of participants pre-divided into the designated number of groups (per conversation with CT staff). We encourage large groups (50) to arrive with name tags.

Signed Waivers

Every participant, adult sponsor, volunteer must have a signed waiver before he/she can take part in the adventure day. Forms are available at www.campthurman.org

Appropriate Clothing

Every participant must wear closed toe shoes. More information on what to wear and what to expect is available on our website. Group Sponsors will be asked to collect cell phones, and other valuables before starting activities.

Lunch

Groups may bring sack lunches or we can provide you contact information to make your own arrangements for pizza or box lunches. The Group Sponsor is responsible for ordering, delivery and payment.

Inclement Weather

CT will stay in touch with Group Sponsor if weather is questionable. It is always the Group's decision to reschedule, if needed. If event is cancelled 2 hrs prior to arrival, all monies will be refunded and day will be rescheduled, if possible.

Photos

Photos will be taken throughout your day at Camp. A link to your pictures will be sent to you following your event.

It is our privilege to serve you,
Mary Hibbs & CT Staff
