

Pick-Up and Drop-Off Safety Policies

When picking up a child you **MUST** have your I.D. and be authorized for pickup. If you are not authorized we will have to call the primary contact to confirm you are authorized for pickup.

- If you forget your card for afternoon pickup you will need to come into the office and present your I.D. so we can confirm you are authorized for pickup.
- Remember that there is **NO PICKUP** after 2:30pm. We shut our gates to prepare for afternoon Traffic.

We appreciate your understanding as we seek to ensure the safety of each and every camper during their week here at Camp Thurman.
